Launching inclusion in action

Child Protection and Partnership with Parents in Schools

Conference and launch of the Inclusion & Family Support Department

Organised by EduBridge Consulting in collaboration with Beirut Technical College (BTC).

The event brought child protection, anti-bullying awareness and family-school partnership together with the launch of a dedicated department.

DEPARTMENT LAUNCH

Inclusion & Family Support

A new department introduced during the conference

A central purpose of the conference was to launch the Inclusion & Family Support Department within EduBridge Consulting.

Head: Psychologist Noura Mezher

Deputy Head: Chloe El Helou

The launch affirmed a commitment to inclusion, belonging, anti-bullying awareness and stronger family-school partnerships.

INSTITUTIONAL LEADERSHIP

A shared educational mission

Dr. Wafaa El Attrache

Psychologist Noura Mezher

The conference connected institutional leadership with specialist perspectives on child protection and family-school partnership.

SPECIALIST CONTRIBUTIONS

Knowledge shared in practice

Chloe El Helou

Hawraa Houssein Nasser

Contributions brought together project coordination, child education and care, and practical approaches to supporting learners and families.

The programme explored the Safe School and Conscious Parenting initiatives through presentations, dialogue and participant activities.

PARTICIPANT ENGAGEMENT

Learning through collaboration

Small-group discussion and written activities

Exchange of perspectives and collaborative work

A HIGHLIGHT OF THE LAUNCH

Mahdi presents the award

Mahdi presenting the award to Psychologist Noura Mezher

One of the most meaningful moments of the event was Mahdi presenting the award to Noura Mezher. His participation gave the launch a personal and memorable dimension.

INCLUSION, BELONGING & RESPECT

The message behind the moment

Mahdi took an active part in the occasion. The moment reflected the message at the heart of the department: participation, dignity and belonging.

The conference linked this commitment to its wider focus on child protection and confronting bullying in school communities.

RECOGNITION & PARTICIPATION

Celebrating shared commitment

Certificate presentation

Recognising participation in the conference

PROPOSED COOPERATION

Building the next step together

A pilot programme for schools

We propose exploring a pilot with three schools, combining educator training, parent workshops and practical guidance on child protection and inclusion.

A clear and measurable approach

The scope, participating schools, safeguarding arrangements, budget and evaluation measures would be agreed with prospective partners before implementation.

Opportunities for cooperation

Technical exchange, introductions to relevant organisations, joint capacity building and exploration of eligible support mechanisms.

Our immediate request

An introductory meeting to understand your priorities and assess whether a jointly developed initiative would be a useful next step.
